

Dear residents

I am writing to you about works that will affect your car parking space.

Starting Monday 21 November, the Body Corporate is having the entire car park cleaned by a company called Techniclean. The cleaning process is very thorough and it will take Techniclean an entire day to clean just ¼ of a level. They will scrub the floors with a machine to remove all stains and dirt

Please see the schedule below for when the cleaning will take place:

On the days as listed above, the Body Corporate asks that your car parking space is vacant during the day. If your parking space is not vacant on that day then Techniclean will be unable to clean your car park.

Since the car park is being cleaned in blocks we are unable to move the cleaning of your car park to another day.

If you are unable to find an alternative park for the day we may be able to help from the voluntary car park scheme but this is not guaranteed.

Please view the detailed map of the car park cleaning on our website on the “Events” page. It will give you a clear picture of when your car park is being cleaned.

Kind regards
