Re: Price Review for Apartment Services

This information is for our valued customers. As of 1 January, prices for apartment services will be increasing to accommodate for increased costs in these tough economic times. Over the course of the last few years our office has experienced increased costs in ensuring that we continue to provide the quality that you as our client have come to expect of us.

Our management prides itself on customer services and service delivery. Our mission is to provide a 5-star experience for every resident to come home to. We have worked hard to bring residents very reasonable prices on residential services. Cleaning services are kept low and affordable by having fulltime cleaners working in the building every day. We do everything we can to bring that great value and stretch your dollars. We will continue to make this effort.

You can find the 2012 prices on the Admiralty Quays website along with more information on the services you can enjoy coming home to.

We hope you feel this is still a great value and we appreciate your support. Should you have any questions or queries please do not hesitate to contact us.

Yours sincerely

The Admiralty Quays Management Team
